## Thank-you PEI!

**Because we stayed apart today, we're one day closer to being together again, and we are filled with hope and gratitude!**

Let's keep caring for ALL our neighbours by continuing to follow the directives of our amazing public health office.

And a big THANK-YOU to all the essential workers and

volunteers who are making sure everybody on PEI gets through this safely & well-cared for. You are true heroes!

## Small Gifts, Big Impacts

**Even small donations that are minor to you are a major deal to a non-profit like us.**

- Seriously. You should hear our cheers when we get a \$5 donation...let alone a \$50 donation!
- Your generosity directly impacts access to the performing arts in your community. Thank-you for considering to donate to Harbourfront Theatre!
