

Hello!

Welcome to 2021 and our 25th Anniversary!

We have spent most of the last year watching, waiting and planning. Now we can't wait to share it all with you! While the path ahead is slowly becoming more clear, we are still moving forward with caution to ensure a safe and enjoyable experience for all of our guests, performers, staff and volunteers.

We are so grateful for your patience and always appreciate the opportunity to provide you with the exciting variety of performances that you know to expect from us. Keep reading for exciting insights and news about the year ahead!

Sincerely,  
Your Harbourfront Team

## Happy 25th Anniversary Harbourfront!

### Can You Believe It's Been 25 Years?

In 1996, the Harbourfront Theatre first opened its doors. This triumph was a labour of love and dedication by a community that is still supporting us today!

We are looking forward to reconnecting with all of you this year as we celebrate our history and lay the foundation for our future.

## Our Theatre...

Each month we are showcasing team members who help make the magic happen!

### **Kieran Keller - Executive Director**

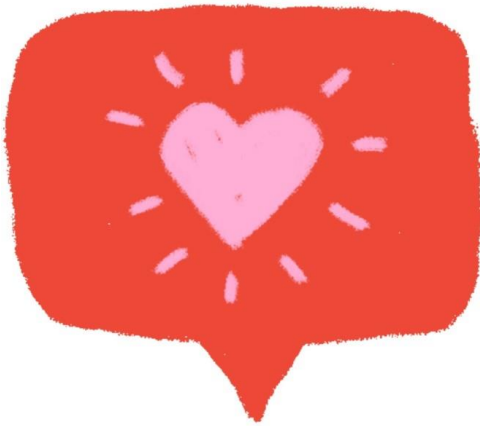

Kieran joined the Harbourfront Theatre in 2011 as the Executive Director and has helped harness the potential of the theatre through his professional passion for the arts. Under his guidance, we have been focused on driving our mission & vision for the theatre with our core values held closely at heart.

**What's your favourite Harbourfront memory?**

"One of my favourite moments is from our show *Nonsense*, when Robin Craig's character *Mother Superior* got "high" onstage and let her guard down. Each night her laughter was infectious and the crowd just loved it. They were almost falling out of their seats!"

## ...Your Theatre

We are collecting stories and memories of Harbourfront Theatre from members of the community and visitors to the theatre. We'll be sharing these experiences throughout the year and we would love to hear from you!

## Upcoming Line Up

We know how patiently you have been waiting to hear about our plans to reopen and we appreciate the understanding and support from all our guests.

It has certainly been challenging to navigate the ever-changing public health

guidelines in regards to live events. As a not-for-profit organization, we must balance our smaller, artistic endeavors with our sold-out performances to fulfill our mission of offering a variety of local and touring artistic productions. Of course, capacity & travel restrictions have created challenges for continuing to offer this diverse programming.

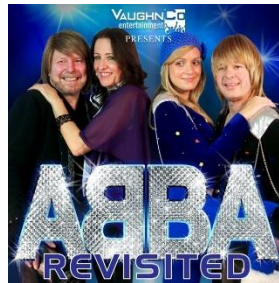

As we start to see the light at the end of the tunnel, we are working on an exciting set of performances for 2021 with rescheduled shows and lots of new events. While we are confirming dates around ever-changing health guidelines & touring schedules, we hope to welcome you through our doors by the end of March!

## Building Maintenance

While we've been quiet, we've been planning. As we work to confirm new show dates and events, we are also taking advantage of this quiet time at the theatre and catching up on some much needed maintenance tasks.

Working on looking our best for when we see you again!
