

Hello,

We hope you, your family, and your friends are all doing well now that winter has finally seemed to arrive! Here at Harbourfront Theatre, we continue to work remotely with some days spent at the Theatre as we all keep searching for that sense of normalcy.

Our focus is still navigating the public health recommendations, touring schedules, audience capacities and the strong sense of responsibility we feel for ensuring a safe environment while also creating the magic of a live performance.

We are working to add new events but know our line up will continue to adapt to the ongoing covid-19 situation in order to keep all performers, crews, volunteers and audiences safe. We truly appreciate your patience and understanding.

Harbourfront is Here 25 Years Later!

We want nothing more than to celebrate this momentous 25th year that all of you have helped us to achieve! So while we continue to work on making those celebrations a reality, we are going to focus on the incredible journey of the Harbourfront Theatre. Because when you think about it, we have a story like no other!

Join us as we look at the history and community of these last 25 incredible years!

Sincerely,
Your Harbourfront Team

Our History

It began with a group of Summerside citizens who had a vision to create a state-of-the-art performing arts facility for Prince County.

More than a decade from its inception, the vision became reality...

Follow us on Facebook and Instagram as we spend the next few weeks reminiscing about the history of the theatre and the people who helped us along the way!

Our Theatre...

Welcoming the Newest Team Member!

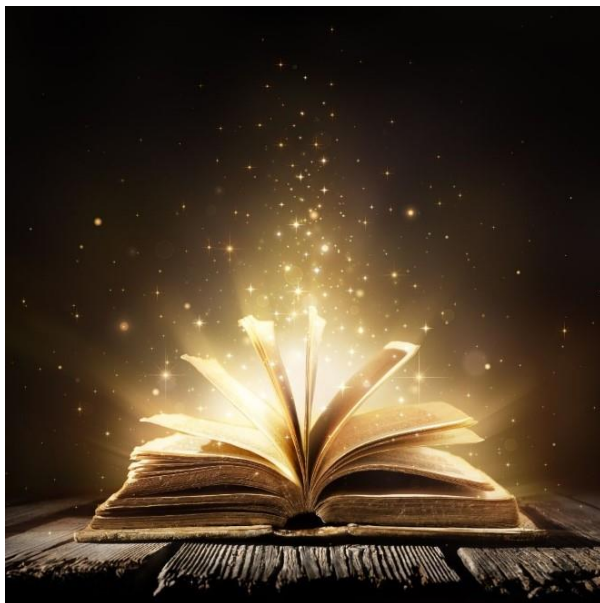

We are so happy to welcome Baby Boudreau to the Harbourfront Theatre family!

We are sending big congratulations to Brenna, our Marketing & Community Outreach Coordinator, and her husband who recently welcomed this beautiful, bundle of joy!

We can't wait for you to see your 1st show!

Your Theatre...

It would mean so much to us to hear from all our amazing guests, volunteers, performers, donors & sponsors!

Help us tell our story through your story.
